# TECHNICAL DATA SHEET

## BLANKET

### EASY PRINT UV

---

Printing rubber made in non-solvent technology, environmental friendly. Special EPDM rubber surface is UV ink and varnish resistant. It is highly absorption resistant.

#### TECHNICAL DATA

Printing substrate	Colour: violet Surface: EPDM Construction: compressive, three layers Surface hardness: 60° Shore A General hardness: 77° Shore A
Tensile strength	>75Kg/cm
Elongation	<4,5%
Compressibility	20-35 Kg/cm <sup>2</sup> : 0,23mm deflection
Nominal thickness	1.70mm/1.90mm ± 0,02mm
