# TECHNICAL DATA SHEET

## PC INK STRIPPER

Very strong cleaning and degreasing remover for rubber rollers  
and metal parts of presses

**Description:**

The product easily cleans rollers and quickly dries. It has low odour, very efficient in use.

**Use:**

Clean the rollers with a cloth soaked with PC INK STRIPPER. Avoid long contact with rubber rollers.

**Recommended safety measures:**

Apply safety measures for chemical substances. For safety details and instruction for use please see the product data sheet.
